Developmental Differences

RESOURCE FAIR

A resource fair dedicated to providing Chicagoland families of children with developmental differences one-stop access to and information about schools, programs, service providers, therapeutic support & non-profits in the city.

FREE and open to the public. Bring your friends!

The term “Developmental Difference” is intended to be inclusive of any child possessing a neurological or physical disease, disfunction or delay that affects his/her ability to function ‘typically’ in everyday life.

WHEN:

Saturday, February 4, 2012
